Residents **Violet Tilford** and her children

Violet Tilford is a full-time accounting student and hardworking mother of Justice and Indira.

She is doing all she can to ensure that her kids have the opportunity to excel in school and life. Fortunately, they have a safe, affordable place to live. Without that most basic need – something many of us take for granted – Violet would never have gotten this far and her family would face much greater odds for success.

The Charlotte Housing Authority provides safe and affordable housing for families in need and its innovative Moving Forward program helps them become self-reliant. To learn more, visit www.cha-nc.org.
